

JANUARY 2024 : FITNESS GYM IN OHIO

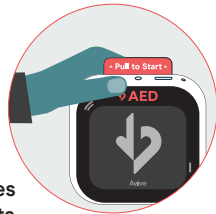

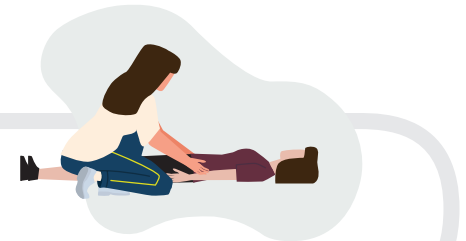

# The Power of Saving Lives

## Sudden Cardiac Arrest Save with an Avive Connect AED®

A Mom and Teen Daughter are in the gym together for a workout.

After their workout, Mom and Daughter start to leave the gym when the Mom suddenly collapses.

Gym staff recognizes the collapse and gets the AED from the wall.

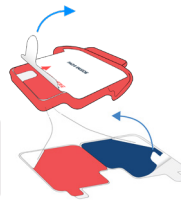

1 MIN

Another team member calls 911.

CPR begins.

AED pads are placed on the Mom and analysis begins.

2 MIN, 10 SEC

Gym manager gets an alert on REALConnect™ that an AED is being used.

Shock is delivered.

4 MIN, 45 SEC

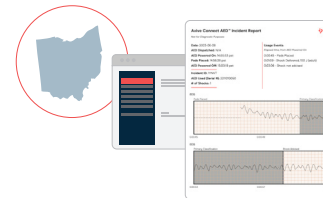

A second shock is delivered.

Mom is revived.

4 MIN, 50 SEC

A full Incident Report may be viewed and/or downloaded from REALConnect.

EMS Arrives.

6 MIN, 53 SEC

A Life Saved

This Mom survived because a shock from a nearby Avive Connect AED® was delivered within three minutes of her initial collapse, proving that proper training and an accessible AED can help save lives from cardiac arrest.
